Report of Principal and School Improvement Council

West-Oak Middle has just completed its seventh year. We are committed to providing diverse learning experiences that teach critical and creative thinking, so that our students will become productive, competent, and responsible lifelong learners. Our students are afforded the opportunity to experience the highest levels of course work available. In addition, our students are required to take two exploratory classes each day. We also feel it is critical that students participate in a variety of exploratory classes such as Art, Band, Chorus, Strings, PE, and Gateway to Technology, Keyboarding, Computer Applications, Spanish, Web Design, and Yearbook. We also offer a number of athletic programs at the middle school level which include Football, Girl's and Boys' Basketball, Cheerleading, Volleyball, and Wrestling. Looking back on this year, we are very proud of our many accomplishments. We are in our seventh year as a Making Middle Grades Work School and will continue to focus on the ten key practices of that program. We hosted a parent night called "Fall in to Literacy". We also hosted a parent/student orientation night for our rising sixth graders called "Step up To Sixth Grade". West Oak Middle School was awarded the Palmetto Gold Award for their 2010-11 and Silver Award for 2011-12 Pass scores. This program reflects a fundamental belief that all schools, regardless of their socioeconomic status and geographic location, can improve toward high academic standards and excellence and that all children can learn at high levels. Schools are recognized not only for high levels of student academic achievement, but also for efforts that result in exemplary improvement. Our Positive Behavior Intervention Support Program is a pro-active approach which research has shown to decrease discipline referrals while increasing student achievement. As the name implies, our school focused on positive student behavior. We have applied and have been awarded Ribbon and Banner status for our PBIS program. A comprehensive remediation program in the areas of both Math and English/Language Arts are available to our students during the school day. Our teachers also offer additional tutorial hours before and after school for the students. We offer Pre-Algebra to our accelerated sixth grade math students and Algebra 1 and Geometry to our accelerated seventh and eighth grade students. This is the third year that eighth students could take English I Honors for high school credit. Eighth graders may also take Spanish 1 for credit. Students can leave West Oak Middle School with five high school credits. High expectations remain a commitment at WOMS. Our students engage in an abundance of academic activities, demonstrating excellence in areas such as the School and Regional Spelling Bee, Lieutenant Governor's Essay Contest, Rotary and Memorial Day Essay Contest as well as various Art Contest and Music Concerts and Competitions. Our goal is for every student at West-Oak Middle School to thrive academically, socially, and emotionally while developing the assets necessary to become reflective, productive and responsible citizens.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	73.3
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

West Oak Middle School has been designated as a:

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
